

**Natalie Shaver**

Natalie Shaver joined the Idaho Office of Emergency Management in July of 2021 as the Public Information Officer. Before working at IOEM, Natalie was the PIO for the Ada County Highway District. She was the primary spokesperson, media contact and videographer for the agency. During her three years at ACHD, Natalie had the opportunity to participate in several of FEMA's PIO trainings and quickly discovered she wanted to transition to a field that handles emergencies.

Prior to working as a PIO, Natalie was a journalist. She worked as a general assignment reporter for KTVB in Boise where she covered everything from the statehouse and crime to weather woes and growth in the Treasure Valley. She also worked as a reporter and producer at Local News 8 in Idaho Falls. Originally from Chicago, Natalie interned for both the investigative and political news units at CBS. She graduated with a B.A. in Broadcast Journalism from Columbia College Chicago.
